OUR UNIQUE GUARANTEE

In the event of any legal dispute in any legal forum such as tribunals, civil courts or criminal courts, SERR SYNERGY shall be responsible for all legal expenses up to **R150 000 (one hundred and fifty thousand rand)** per annum, incurred by a business in defending any document or policy amended or implemented on our advice as part of our service.

CORPORATE GOVERNANCE AND BUSINESS ADMINISTRATION

The introduction of the new **Companies Act** for public companies basically means that there are more stringent requirements regarding accountability and transparency and that businesses are impacted in different ways. The Act requires enhanced standards of corporate governance, setting minimum

accounting standards for company annual reports, with firmer provisions governing directors' conduct and liability.

SERR SYNERGY assists businesses to comply with the new Companies Act and amended **Close Corporations Act** by bringing all relevant company documents in line with the new Companies Act.
